About the Property

Situated on nearly half an acre (0.46 acres), this charming home offers space, character, and endless potential at an attractive price point. The property features a full waterproofed basement with a French drain system already installed for added peace of mind. Outside, you'll find a detached 2-car garage with a loft area above, along with a separately fenced section of the yard connected to the main property, perfect for a workshop, storage, hobbies, entertaining, or future creative use. Relax on the inviting covered front porch, enjoy the expansive yard, and take advantage of the prepaid solar lease through 2035, allowing the future owner to benefit from the solar energy generated at no additional lease cost. Being sold AS-IS and priced accordingly at \$399,999, this home presents an e ...
