About the Property

Views, Views, Views! Welcome to Unit 318 at Gardens Plaza, a unique 3rd-floor premium end-unit condominium offering one of the most desirable locations in the building. This is the only truly private balcony stack, allowing you to enjoy both beautiful sunrises over the Atlantic Ocean and spectacular sunsets over the causeway bridge from your own private outdoor space. This 2-bedroom, 2 full bath residence offers approximately 1,100 square feet of comfortable living space with a thoughtfully designed layout. The spacious primary suite features a large walk-in closet and private en-suite bath, while the second bedroom and full bath provide comfortable accommodations for family and guests. Take in stunning nighttime views of Atlantic City and enjoy Saturday night fireworks from one of the ...
