About the Property

HURRY! Come check out this magnificent 2,872 sq. ft. home built in 2020. It has 4 large bedrooms and 3.5 bathrooms, a 2-car attached garage, and a finished basement with a full bathroom. As you enter the home, a spacious formal living room leads into the family room, which has an open layout that connects to the kitchen. Your kitchen features quartz countertops, stainless steel appliances, a kitchen island, and luxury vinyl plank flooring that extends through the open layout. This makes cleaning easy and efficient. When family or guests are over, there is plenty of room for seating while cooking, serving, and entertaining. Spend quality time with your children or guests and enjoy the backyard, which features an inground pool, a fenced yard for privacy, and a lovely cabana that provides sha ...
