About the Property

This exquisite custom crafted new construction home offers the perfect blend of luxury finishes and thoughtful design, coupled into one masterpiece, located in the phenomenal Ocean City Homes neighborhood just a short stroll to the beach, 52nd street playground and 55th street eateries. The exterior showcases timeless style with James Hardie board siding, board-and-batten accents, upgraded Pella windows with retractable screens, and a welcoming covered front porch. A paver driveway and walkways lead to the fully fenced backyard, designed for resort-style living. The outdoor space features an in-ground saltwater gunite pool with sun shelf, waterfall feature, marble hardscaping, and heater. A large rear deck overlooks the pool and includes a staircase providing direct access to the backyard ...
