About the Property

Located in the prestigious Whispering Woods Community, this pristine two-story, 5 bedroom, 3.5 bath home is truly ready for new beginnings. The second level features a well-appointed main hall bathroom and four spacious bedrooms, including an impressively sized primary suite complete with an oversized walk-in closet and a private ensuite bathroom with spa tub and dual vanities that complete your own peaceful retreat. Step through the exquisite foyer on the main level to find a thoughtfully designed layout offering a formal dining room, den, family room, an additional bedroom, and a full bathroom, making this ideal for guests or multi-generational living. The open kitchen seamlessly connects to the laundry room, three-car garage, and a raised concrete deck with patio that overlooks the in-g ...
