## About the Property

Move right into this refreshed 3-bedroom, 2-bath home featuring a bright updated kitchen with center island and new stainless steel appliances. Enjoy an open-concept layout with cathedral ceilings, an en-suite primary bedroom, separate laundry room, all new flooring and paint, and plenty of natural light throughout. The fenced yard offers added privacy, with alley access behind the home providing convenient access to the backyard and additional parking. Storage shed is included and sold in as-is condition. Some photos have been virtually enhanced to show potential with furniture. Quick closing possible!
