About the Property

Welcome to 703 Route 50, a completely reimagined 4-bedroom, 3-bathroom two-story masterpiece brought to life by Jersey Coast Elite Construction. This is a home you truly must walk through to fully appreciate; no photo can capture the level of craftsmanship and attention to detail woven into every corner. The first floor is designed for both everyday living and effortless entertaining, featuring two bedrooms, a full bathroom, a bright living room, formal dining room, and a stunning open kitchen complete with a center island and all-new appliances. Head upstairs to find a spacious primary bedroom, an additional bedroom, and a full bath offering the perfect retreat at the end of the day. Outside, a fully fenced yard provides privacy and room to relax, while a detached garage and full sprinkle ...
