About the Property

Waterfront Paradise with Unrivaled Delaware Bay Sunsets! Experience the ultimate coastal lifestyle in this stunning, completely renovated 4-bedroom retreat nestled in Gandy's Beach. Positioned on the scenic western coast of New Jersey, this home offers direct, breathtaking views of the Delaware Bay and is the perfect sanctuary for nature lovers, fishing enthusiasts, and those who cherish spectacular sunsets. Step inside to discover a home that has been meticulously updated with style and comfort in mind. The open-concept living area flows seamlessly, featuring luxury vinyl plank flooring throughout and newer carpet in the bedrooms. The heart of the home is a chef-inspired kitchen boasting gleaming quartz countertops, an oversized luxury island with a built-in undermount sink, and a stunnin ...
