About the Property

Here's a property with a uniqueness you've never seen. 64 Blue Anchor Rd is a mid-century modern contemporary rancher on over 5 acres in Blue Anchor NJ, with a low-slung profile, deep soffits, and a stone facade with real character. It also gives you a pole barn that's heated and cooled year-round, plus even more surprises waiting once you walk through the door. The open floor plan continues the mid-century feel, with a sunken Great Room leading to the Dining Room and a large kitchen — perfect for entertaining. The kitchen has an island, plenty of cabinet space, and room to gather. Three large bedrooms and a first-floor mud room round out the main level. Downstairs, a fully finished basement gives you four flexible rooms (office, gym, guest space — whatever you need it to be), plus its ...
