About the Property

Experience lakefront living — a private retreat with ample space to gather, work, play, and recharge. Set on 1.76 wooded acres, this 4-bedroom, 3.5-bath contemporary home puts direct lake access right in your backyard for recreation, kayaking, and fishing for pickerel and largemouth bass. Inside, the 3,410-sq.-ft. layout showcases an open floor plan with multiple living areas and an elevated dining room designed for gathering and entertaining. The extended deck creates even more room to host, relax, and take in the surroundings. Cozy up by the wood stove, gather around the fire pit, or unwind on the paver patio beside the peaceful pond. Natural light and beautiful views fill the home from every angle. The primary suite opens to a private balcony overlooking the grounds, with an adjoint ...
