About the Property

Welcome to The Eminence, where exceptional land, privacy, and oceanfront living converge in a way rarely found at the Jersey Shore. Positioned on over 1.5 acres of oceanfront real estate, with assessed ownership extending approximately 1,550 feet from Central Avenue to the ocean's edge, this remarkable 2019-built residence occupies one of the most substantial oceanfront parcels ever offered in Ocean City. The result is a setting unlike virtually anything else on the island: expansive, secluded, and surrounded by protected dunes, open sky, and uninterrupted coastal beauty. Spanning approximately 4,400 square feet, this multi-level second-floor residence offers five bedrooms and six-and-a-half baths, thoughtfully designed to blend timeless coastal elegance with modern comfort.
