About the Property

Ocean views, bay sunsets, and the Boardwalk just steps away — welcome to Ocean Club Condominiums. This freshly painted, 978 sq. ft. corner residence is officially a one-bedroom with 1.5 baths, but has been smartly reconfigured into TWO-BEDROOM living, or a bedroom plus office, all while you still pay one-bedroom condo fees. The kitchen, fully RENOVED in late 2023, is the heart of the home, with crisp white cabinetry, quartz countertops, a modern backsplash, and stainless steel appliances including an induction range with a built-in air fryer and convection oven, plus a wine fridge and an all-in-one washer/dryer for everyday convenience. The kitchen opens easily into the dining and living areas, keeping the whole space feeling bright and connected. Step out onto either of two balconies ...
