About the Property

Nestled within the established and sought-after Fischer Woods neighborhood, this beautifully updated three-bedroom, two-and-a-half-bath home offers timeless architecture, modern finishes, and an exceptional lifestyle surrounded by nature. Tucked behind lush landscaping on a secluded lot, the cedar-sided exterior creates a warm first impression, while the inviting front porch offers a peaceful retreat set back from the road. Inside, soaring ceilings and abundant natural light welcome you into the dramatic two-story family room, where a gas fireplace with elegant tile surround serves as the heart of the home. Two sets of double doors open into the sun-filled solarium, creating seamless indoor-outdoor living and a tranquil space to relax year-round. The thoughtfully redesigned kitchen blends ...
