About the Property

Welcome to Elton Lane. Settle into space that truly fits the way you live at 354 Elton Lane in Galloway Township, NJ. This 4-bedroom single-family home offers 1,976 sq ft of comfortable living plus a large, finished basement, all set on a spacious lot, with a practical blend of vinyl plank flooring and wall-to-wall carpeting for everyday ease. Inside, an open first floor, four bedrooms, and 2.5 baths create room to spread out, stay organized, and keep routines running smoothly. Vinyl plank floors support busy entryways and high-traffic living areas with easy maintenance, while wall-to-wall carpeting adds softness and warmth in spaces where you want to slow down, recharge, and enjoy a quieter pace. With nearly 2,000 sq ft to work with, there is flexibility for multiple uses across the home,
