About the Property

Charming Bungalow on a CORNER LOT (57.5 x90). This adorable 3-bedroom, 2-full-bath home is the perfect shore retreat. A serene and quiet location tucked away just steps from the bike path and bird sanctuary. This classic cottage offers bright and inviting living and dining rooms with beautiful hardwood floors; updated galley kitchen offers stainless steel appliances, tile flooring, and plenty of functionality. Relax on the enclosed front porch or entertain in the 2nd living space (which can be used as a in law quarters). The property has been meticulously maintained and can be enjoyed as the cottage it is or buyers can build a NEW single family home with a pool. Exterior features include a spacious yard, storage shed, awnings, and off-street parking for 3+ vehicles. Whether you're looking ...
