About the Property

Closer than you think, but I bet you didn't know it was there! This 3 bedroom, 2 bath home with attached 1 car garage can't be seen from the road and offers a measure of privacy even though it's located in a neighborhood. This home features beautiful hardwood and tile flooring in the main living areas. With both a dining room and a dining area in the kitchen, there is plenty of room for cooking and entertaining. The living room offers a spot to watch TV and visit, while the upstairs bonus room provides another retreat for relaxation. The full basement with both inside and outside entrances is currently used for storage and as a laundry area, but use your imagination to create another recreation room! Outside you will enjoy the bi-level patio and the beautiful landscaping. The outbuilding o ...
