About the Property

Welcome to this well kept 4 bedroom, 2 full bath ranch home with updated eat in kitchen on a private street! The beautiful eat in kitchen has been updated with granite counters, beautiful cabinetry and glass door to a spacious three season room overlooking the large backyard open space and woods for privacy. This home has three well sized bedrooms and the primary bedroom with private full bath. The living room is large, bright and sunny! A long driveway from the road gives you the privacy you crave! Enjoy beautiful evenings on the large front porch. A detached garage and shed make for plenty of outdoor storage. This home is beautiful, private and ready for you to call it home! Move in ready. This property MUST be sold with 967 Harrison Ave to comply with the Pinelands Transfer Density r ...
