About the Property

Conveniently located three-story home with a unique floor plan and plenty of potential! This property is a rewarding project for buyers looking to create a one-of-a-kind home. Currently configured with an in-law suite, the first floor offers a separate living area with a kitchenette, full bath, bedroom, and large closet adjacent to the main living space. The main portion of the home also features a spacious living room, formal dining room, eat-in kitchen, and family room. The second floor is dedicated to a generous bedroom with expansive walk-in closets spanning the entire level. The third floor offers another large finished room that occupies the entire floor. It would make an ideal guest room, home office, recreation room, or additional living space. While this room does not have a clos
