About the Property

NEW PRICE REDUCTION! Welcome to this stunning, fully remodeled 5-bedroom, 4-full-bath home offering approximately 2,000 sq. ft. of beautifully finished living space.

Thoughtfully renovated with high-end finishes throughout, this spacious home is ideal for buyers seeking additional room, multi-generational living, or the perfect second home near the bay. A standout feature is the home's two primary bedrooms, including one conveniently located on the first floor, offering excellent flexibility for extended family, guests, or one-level living. The home also features a spacious walk-in pantry and a well-designed layout with plenty of room to spread out. Outside, enjoy the newly paved oversized driveway, detached garage, and inviting front deck. The street has also been recently paved with ne ...
