About the Property

OPEN HOUSE 08/27 5PM -7PM If you've been searching for a home that gives you space without giving up character, this is worth a look. This 4-bedroom Cape Cod sits on an oversized 75' x 150' lot — nearly a quarter acre of room to spread out, play, garden, or just breathe. A long driveway lined with mature trees leads you in, setting a peaceful tone before you've even parked the car. The four bedrooms are sized for real life: a play room, guest room, a home office that actually fits a desk, whatever you need it to be. And if you're the type who sees potential instead of just square footage, take note — the upstairs is laid out to easily accommodate a second full bathroom, an upgrade that adds real value the moment it's done. But the outdoor space might be the real showstopper. Fully fe ...
