About the Property

Welcome to a property full of space, character, and endless potential. This spacious home features three bedrooms, with one bedroom offering an attached bonus room and direct access to a full walk-up attic, providing additional storage or future expansion possibilities. Inside, you'll find a large living room, a formal dining room, an eat-in kitchen, a potential mudroom, and an additional fourth room that includes its own private shower and private entrance, creating flexible space for a guest suite, home office, en suite, or hobby room. The shower in this room is already equipped with ADA-compliant support bars, adding accessibility and convenience. The home also offers one and a half bathrooms and a full unfinished basement, ready for storage or future finishing. The home has bee ...
