About the Property

Welcome home to 410 S 4th Avenue! Nestled on a quiet street, this beautiful and expansive property offers the perfect blend of space, comfort, and modern convenience. Boasting six spacious bedrooms and three full bathrooms with every room equipped with hardwired Ethernet connections for seamless remote work, streaming, and gaming, the flexible floor plan provides ample room and privacy, making it ideal for multi-generational living, extended family, or comfortably hosting guests. Equipped with installed solar panels, the home helps keep monthly utility costs down. Step outside to discover your own private retreat on a generous lot with plenty of outdoor space to enjoy. The yard features a fantastic above-ground pool, creating the perfect setting for cooling off on hot summer days, hosting ...
