About the Property

This beautifully landscaped 3-bedroom, 2-full-bath home offers 8 rooms and numerous updates throughout. The kitchen features quartz countertops, stainless steel appliances and soft-close cabinetry. Hardwood flooring was installed approximately 5 years ago in the living room, dining room and hallway. The converted rear porch provides additional living space as a den/sunroom. A separate family room features a working fireplace. The partial basement is partially finished and includes a bar area with new vinyl flooring behind the bar, providing additional flexible space. Subject to Seller(s) finding suitable housing. Recent improvements include a Navien gas-fired hot water baseboard heating system approximately 2.5 years old, 15 inch insulation in attic installed 2.5 years ago, attic fan ...
