About the Property

Move in Ready! All the updating has been done here! Newer addition, Stunning kitchen, the yard is fantastic and steps to the bike path (with out crossing a road) and oh so close to Margate and the beaches!!

Exceptional space, character and versatility at 1607 Shore Road, this 5 bedroom, 3.5 bath Northfield property offers almost 3,000 square feet of living space on more than half an acre. Set well back from Shore Road, this impressive home blends the craftsmanship of its circa 1870 origins with thoughtful renovations, an expansive two story addition, entertaining spaces, an in-ground pool and a huge fenced backyard. Soaring 10 foot first floor ceilings create a sense of scale. A spacious formal dining room and gracious formal living room retain original plaster walls and historic character ...
