About the Property

Classic charm meets modern style in this beautifully updated Dutch Colonial near the shore. The home offers four bedrooms, two-and-a-half baths, a newer roof, and a spacious yard with room for a pool in the 50'x70+' rear untouched yard. The renovated kitchen features quartz countertops, 42-inch soft-close wood cabinetry, stainless steel appliances, a glass-tile backsplash, and ceramic flooring. Bright living and dining spaces, a wood-burning stove, updated lighting, and a flexible front entry ideal for an office or sitting area add comfort and character. Upstairs are three bedrooms and a stylishly renovated full bath, while the lower level includes another full bath, a common area, laundry, storage, and a flex room that can serve as a fourth bedroom. Outside, enjoy a covered porch, Ple ...
