About the Property

BEST PRICED home of this size in EHT! This 2600 sq. ft. Equestrian Estates home has all the space you've been looking for including formal Dining room, formal Living, plus Family room, and even an added sunroom/breakfast nook/office, or whatever you want it to be. Further features include a full finished basement with lengthy Bar, Keg cooler, Movie-Night area and still plenty of storage; A super-deep fenced back yard for your BBQs, dogs and recreation; Two-Car attached garage with electric openers, and more... You'll die for the spacious primary bedroom, walk-in closet, and huge bath with soaking tub, Yeeeee! Best of all, Seller is willing to offer a credit at closing to help with your upgrades, with an acceptable offer. Come take a look and make this happen! ...
