About the Property

Opportunity awaits on 3.8 acres in Newport! This expansive property features an existing 2 bedroom, 1 bath residence and a recently updated detached garage with a loft and back deck. The residence is not habitable and is being sold strictly AS IS. The garage provides excellent space for storage, vehicles, equipment, or other uses, and the loft provides additional room for recreation. Beautiful mature trees surround the property and create a private setting, along with a creek located near the back deck. Conveniently located a short drive from Shaws Mill Pond, Fortescue, and the Delaware Bay, offering easy access to fishing and waterfront activities. With plenty of acres to enjoy, this is one you don't want to miss!
