About the Property

Price Improvement on this beautiful home!! Welcome to this freshly painted, 3-bedroom, 2.5-bathroom townhome-style single-family home featuring three full levels of living space plus a finished basement. The interior showcases gorgeous knotty pine hardwood floors on the second and third levels, tons of recessed lighting, and a brand-new stainless steel appliance package in the kitchen. Enjoy a true private upper-level master suite complete with a walk-in closet, a full bath with a beautiful walk-in shower, and versatile flex space ideal for a sitting area, home office, or nursery. Ideally situated within walking distance to everything the quaint city of Merchantville has to offer and just a short commute to Philadelphia, this property perfectly combines modern updates with unbeatable locat ...
