About the Property

Welcome to Landmark Towers, Unit 501! This 2-bedroom, 1-bath condo features a large, spacious layout with tons of natural sunlight and partial ocean and bay views, offering comfortable coastal living in a convenient Atlantic City location. The unit features gas cooking, wall-unit A/C, generously sized bedrooms, and a washer & dryer hookup right in the unit. Building amenities include a fitness center and laundry room. Parking may be available for lease through building management; buyers should contact management directly for availability and pricing. Condo fees cover gas, heat, hot water, water, sewer, building maintenance, and management, leaving the owner responsible for electric. Ideally located on the bay, directly across from Stockton University's Atlantic City campus and just t
