About the Property

Situated upon over 2 acres and set well back from the road, this Colonial offers privacy, space, and endless potential. A grand double-door entry welcomes you into a two-story foyer with classic hardwood floors, flanked by formal living and dining rooms. The spacious kitchen features stainless steel appliances, center island, pantry, and tile flooring, while the adjacent eating area offers sliding glass doors leading to the deck with built-in barbecue—ideal for entertaining and enjoying the expansive property. The kitchen flows seamlessly into the inviting family room, creating a comfortable everyday living space. A dedicated laundry area, powder room, and access to the full, high-ceiling basement complete the main level. Upstairs, the spacious primary suite features a cathedral ceiling, ...
