About the Property

WHAT IF NEW CONSTRUCTION CAME WITH A LITTLE MORE BREATHING ROOM? Welcome to 102 Blue Anchor Road, where brand-new construction, a full acre and a location that puts some of South Jersey's best lifestyle destinations within easy reach come together. This 4-bedroom, 2.5-bath home offers more than 2,000 square feet of thoughtfully designed living space, a two-car garage, full basement and no HOA. Inside, the bright main level flows naturally between the great room, dining area and kitchen, creating an inviting space for everyday living and entertaining. A generous island anchors the kitchen, while a separate pantry area adds valuable cabinetry, counter space and storage. A first-floor flex room gives you options for an office, playroom, den or additional living space. Upstairs, the primary
