About the Property

Sutton Woods spacious and updated home, located on a prestigious cul-de-sac and offers multiple levels of living space, a flexible floor plan, and a stunning private backyard with an in-ground pool. From the moment you enter, you'll notice the scraped wood flooring, new front door, updated stucco frontage, and the warm, welcoming feel throughout. The main living areas have been opened up to create the flow today's buyers love. The dining room and kitchen now connect seamlessly, creating an open and inviting space for both everyday living and entertaining. The kitchen features gray quartz countertops, stainless steel appliances, a pantry, abundant cabinetry with soft close doors and drawers, and an impressive center island with contrasting black quartz that comfortably seats five.
