About the Property

Luxury Executive Family home located in extremely desirable neighborhood! Customized recently renovated with very refined finishes including all new luxury flooring and super first-class kitchen w/island, cabinets, countertops and appliances that will surpass all expectations. Huge sunken great room, bright-cheerful breakfast room, formal living and dining rooms, butler pantry/bar, and separate private full bathroom off big laundry round out a first floor design like none other! Upstairs you are greeted with a soft-warm hardwood foyer leading into four (4) oversized bedrooms including the primary MBR suite that is truly fit for a King and Queen (w/2 walk in closets, luxury bath w/soaking tub and large-new shower, and additional versatile sitting room). Paved driveway leads to side-entry ...
