About the Property

Classic, comfortable, and exceptionally well cared for, this spacious Colonial gives you that warm feeling the minute you step inside—the kind that makes you want to stay awhile. Nestled in a peaceful setting with a large, private backyard, this 3-bedroom, 2.5-bath home offers generous living space, thoughtful built-ins, and plenty of room to spread out. Inside, hardwood floors welcome you as you enter, continuing through the dining area and into the bright, open kitchen with generous cabinet and counter space, plus a sunny breakfast area looking out into the backyard. The dining area is ideal for everyday meals or hosting holiday dinners with family and friends, while the seamless flow throughout makes this the perfect home for entertaining. A cozy sunroom with a fireplace offers the pe ...
