About the Property

Beautifully renovated, impeccably maintained, and just blocks from the beach—this Ventnor single-family home is ready to enjoy from day one! Completely renovated approximately two years ago and carefully maintained by the current owner, the home still shows and feels like a recent renovation. The first floor offers a bright, comfortable layout with luxury vinyl plank and tile flooring, recessed lighting, and plenty of natural light. At the heart of the home is a stylish kitchen featuring quartz countertops, stainless steel appliances, gas cooking, and a walk-in pantry. The adjoining living area is complemented by a separate dining room and a sun-filled Florida room, giving you multiple spaces to entertain, relax, or set up a home office. A charming shiplap-accented mudroom, beautifully ...
