About the Property

Discover the privacy and possibilities of this unique 4-bedroom, 2-bath home nestled at the end of a winding path on 2.4 acres.

Inside, charming wood-beamed ceilings add warmth and character throughout. The first-floor bedroom offers flexibility for guests, a home office, or a comfortable private retreat, with a convenient full bathroom nearby that also serves guests. Upstairs, you'll find three additional bedrooms and another full bathroom, providing plenty of space for family and visitors. Relax in the cozy living room or enjoy the bonus, 4 seasons sunroom overlooking the spacious, private backyard. The dining room flows naturally into the country kitchen, creating an inviting space for everyday living and entertaining. A convenient laundry/utility room adds functionality to the main l ...
