About the Property

Space, potential and over an acre to call your own! This traditional-style two-story home offers 4 bedrooms, 2.5 bathrooms and a spacious, versatile floor plan ready for its next chapter. Step inside to a large kitchen featuring a center island, abundant cabinet space and plenty of room to gather. Just off the kitchen, step down into the impressive family room where a soaring ceiling creates an open and airy feel, while sliding glass doors provide convenient access to the expansive backyard. The main level also features a separate dining room and formal living room that offers great flexibility as a home office, sitting room or additional entertaining space. Upstairs you'll find all four bedrooms, including a spacious primary suite with a private bath. Situated on a beautiful lot of over ...
