About the Property

This 3-bedroom, 1-bath home has the space and flexibility to fit your plans. Step inside to a bright living room that opens to a separate dining area, giving you room to gather, entertain, or enjoy a quiet night at home. The kitchen features warm wood cabinetry, generous counter space, and a full set of appliances. Ceiling fans, recessed lighting, and wood trim add character throughout. Need more room for storage or a future project? The walk-up attic offers easy access to additional space, and the unfinished basement provides even more room for storage and utilities. An enclosed porch, spacious rear deck, and large backyard extend your options outdoors, whether you're hosting friends or relaxing at the end of the day. A private driveway adds convenient off-street parking. Centrally lo ...
