About the Property

Situated on a prominent corner lot in a desirable residential neighborhood, this custom-built single-family home offers exceptional design and everyday comfort. The main level features classic hardwood flooring throughout, leading to an updated kitchen equipped with GE Profile appliances (installed in 2024). Designed for optimal privacy, a dedicated guest suite complete with a full bath and walk-in closet is located just six steps above the main living area. Large second level Primary Suite has hardwood floors, master bath with separate toilet room, shower and jacuzzi. 3 additional spacious bedrooms occupy the second level. Premium multi-zone climate systems ensure year-round comfort with four-zone hot water baseboard heat and two-zone central air. Complete with an attached single-car garage a ...
