About the Property

This exquisite one-bedroom residence offers an exceptional array of features, including new split-system air conditioning in both the bedroom and living room, updated electrical wiring, an updated electrical box, and dedicated circuits in the kitchen. A dehumidifying system further enhances comfort and the overall living experience at The Warwick. The beautifully renovated kitchen showcases a streamline design with custom-style cabinetry, quartz countertops, a stunning marble backsplash, stainless-steel appliances, luxury vinyl plank (LVP) flooring, and finished baseboards throughout, creating a clean and sophisticated look. The completely renovated, luxurious spa-like bathroom features a walk-in shower, tiled from floor to ceiling, elegant glass shower doors, and beautifully updated finis ...
