About the Property

Backyard Oasis and Elevated Coastal Luxury in the Heart of Stone Harbor. Welcome to your personal sanctuary in the highly desirable Stone Harbor community, where refined coastal living, elegant entertaining, and everyday comfort converge in this magnificent five-bedroom, 3.5-bath luxury retreat. Spanning over 3,312 square feet of thoughtfully designed interiors and situated just steps from both the beach and bay, this property is the epitome of shore sophistication and outdoor indulgence. Step into a resort-inspired backyard oasis that elevates outdoor living to an art form. Designed for both grand entertaining and quiet relaxation, the space features a heated swimming pool with a cascading hot tub, surrounded by manicured landscaping and multiple gathering areas. At the center of it all i ...
