About the Property

Saint Charles Place New construction located approximately mid block on the Sunny side of the Street. This Six Bedroom Five full bath second floor "upper cottage" has an elevator. The unit has a generous sized "great room" with a wet bar including beverage cooler. The great room offers Board and Batten wainscoting throughout. The fireplace accent wall is covered with shiplap siding and the room is wrapped in crown molding. The kitchen has Quartz counter tops, self close/soft close cabinets, an oversized kitchen island, and a full Thermador appliance package. The flooring throughout is engineered wood with the exception of the baths. Four of the Six bedrooms have en-suit bathrooms. The baths have frameless shower doors and quartz vanity tops. The main level of this upper cottage has four ...
